

VOLUME 02

VINTAGE GARDEN

SINGLE ETHNIC PRINTS

#STAYHOME

#STAYSAFE

Nobody really knows how the world will look like on the other side of the current prevailing situation. The only certainty is that it's bound to be different. Nevertheless, the weather necessities remain constant like the quality of our fine, breathable lawn; a must to stay fresh in this summer heat even at home.

For enhanced look and comfort make a matching mask of the print to stand out from the rest.
