PRE-FALL COLLECTION

A woman is lying on her back on a large, colorful, patterned rug. She is wearing a purple dress with intricate embroidery and a matching purple shawl. She is also wearing a purple headscarf with a floral pattern and a necklace with large, colorful beads. She is looking towards the camera with a slight smile. The background is filled with more colorful, patterned rugs and textiles, creating a rich, textured environment. The overall style is traditional and vibrant.
